ABOUT THE STATE CAPITOL FOUNDATION

Did you know that each year over 100,000 visitors take part in State Capitol programs such as tours, holiday events, special ceremonies and educational programs? Did you also know that the costs associated with restoring and maintaining the Capitol site far exceed the funding available?

The North Carolina State Capitol Foundation, Inc., a nonprofit organization, was founded in 1976. A group of forward-thinking individuals envisioned the State Capitol as not just a symbol but a vibrant historic site. Today, the Capitol commemorates our past and celebrates our future.

THE STATE CAPITOL FOUNDATION – EDUCATION

Bringing “The People’s House” To Life

The North Carolina State Capitol Foundation sponsors lectures, restoration, children’s history programs, concerts, exhibits and the docent program, allowing the Capitol to offer all programs to the public at no charge.

The Capitol’s signature special events, including the annual July 4th Celebration, Capitol Tree Lighting and Memorial Day are also made possible by the Foundation.

Visit the Capitol:

The Capitol is open to visitors for self-guided tours Tuesday - Friday, 8 a.m. - 5 p.m. and Saturday 9 a.m. - 5 p.m. Guided tours for groups of 10 or more may be arranged by calling Capital Area Visitor Services at 919-807-7950 or www.nccapvisit.org.

Learn More About The Capitol:

A National Historic Landmark, the N.C. State Capitol is one of the finest and best preserved examples of the Greek Revival style of architecture in the United States. The Capitol features a domed rotunda and beautiful state Senate and House chambers, meticulously restored to their 1840 appearance. Until 1888, its granite walls housed all of state government and the NC General Assembly met here until 1961.

Become A Capitol Docent:

The Capitol relies on volunteers to assist with the many student and adult groups who tour the building each day. No previous experience is required, just a love of history, enjoyment of working with children and a few hours a month to volunteer. Volunteers receive training, a monthly newsletter, very flexible scheduling, the opportunity for additional training and recognition dinners.
